### **Automatic collection of information**

This website uses Google Analytics, a web analytics service provided by Google, Inc. ("Google"). Google Analytics uses "cookies", which are text files placed on your computer, to help the website analyze how users use the site. The information generated by the cookie about your use of the website (including your IP address) will be transmitted to and stored by Google on servers in the United States. Google will use this information for the purpose of evaluating your use of the website, compiling reports on website activity for website operators and providing other services relating to website activity and internet usage.

Google may also transfer this information to third parties where required to do so by law, or where such third parties process the information on Google's behalf. Google will not associate your IP address with any other data held by Google. You may refuse the use of cookies by selecting the appropriate settings on your browser, however please note that if you do this you may not be able to use the full functionality of this website. By using this website, you consent to the processing of data about you by Google in the manner and for the purposes set out above.

We do not automatically log personal data or link information automatically logged by other means with personal data about specific individuals. We do not use cookies to store personal data or link non-personal information stored in cookies with personal data about specific individuals.

## **Data collection and purpose specification**

If you request information on products and services through the CAVITUS website, you will be asked to provide personal information. For example, you need to register with us if you want to access further information about our products or to download information. When you register, CAVITUS will ask for your name and contact details.

CAVITUS may decide to use your account information and transaction history to generate statistics and reports for internal use as well as to contact you by telephone, regular mail, or e-mail.

We do not collect information about our visitors from other sources, such as public records or bodies, or private organizations and we do not disclose your information to other companies.

We do not collect or use personal data for any purpose other than indicated in this privacy statement.

## **Confidentiality / Security**

We do not give visitors to our website the option of using a secure transmission method to send us their personal data.

We have implemented security policies, rules and technical measures to protect the personal data that we have under our control from:

- unauthorized access
- improper use or disclosure
- unauthorized modification
- unlawful destruction or accidental loss

All of our employees and data processors, who have access to, and are associated with the processing of personal data, are obliged to respect the confidentiality of our visitors' personal data.

We ensure that your personal data will not be disclosed to State institutions and authorities except if required by law or other regulation.

### **Access to the personal data we may hold about you**

You can ask us, by sending an email through our Contact Us page, whether we are keeping personal data about you. Upon request, we will provide you with a readable copy of the personal data which we keep about you, within a week, although we may first require proof of your identity.

We allow you to challenge the data that we hold about you and, where appropriate, you may have the data:

- erased
- rectified or amended
- completed

We reserve the right to refuse to provide our visitors with a copy of their personal data, but will give reasons for our refusal. We do, however, allow you to challenge our decision to refuse to provide you with a copy of your personal data.
